

SANDWICHES AT JOSEPH BENJAMIN

Fantastic ingredients, award-winning chefs, lovely locally baked bread... Maybe we should make you a sandwich!

So, a simple plan...

Each day we'll make a batch of fresh sandwiches. They'll be classic, tasty sandwiches, always made on the premises with care and attention. The bread we use will have been baked overnight (try the granary, it really is good!) and all the ingredients will be carefully selected for taste and quality. Nothing processed and absolutely no factory-made 'sandwich fillings'.

Sandwich Menu #1:

Chicken salad

Sliced Granary 3.25 // Herb Focaccia 3.75

We roast chicken each day in a fancy French rotisserie oven. It gives the chicken delicious brown skin and leaves it super moist. This is mixed with our homemade rocket-mayo dressing and topped with a nice mix of fresh salad leaves.

Staff Dinner Sandwich

Sliced Granary 3.25 // Herb Focaccia 3.75

AKA the sandwich that keeps us alive!

Simple, satisfying, top notch ingredients to get you through the day.

Our Milano salami wins lots of awards (even in Milan). Staffordshire Organic cheese is a lovely local brew (a bit like cheddar) and we take all the credit for our own home-made fruit chutney. Simply delicious. A few slices of tomato top it off.

Pecorino Cheese Salad

Sliced Granary 2.95 // Herb Focaccia 3.25

Once upon a time, a cheese sandwich was a dullards lunch.

This one is all about the ingredients (and actually a little bit about the quality of construction!). Pecorino is a wonderful, firm Italian Ewe's milk cheese. This is smeared with our homemade chutney and topped with a handful of salad leaves, sliced tomato and fresh garden herbs.

Proper Hummus & Vegetable

Sliced Granary 3.00 // Herb Focaccia 3.50

If you fancy a vegetarian, you'll go to great lengths to make them a nice sandwich.

Locally made proper hummus (no additives or preservatives) topped with grated carrot, courgette, kalamata olives, a sprinkling of mixed seeds and lemon mayonnaise.

Alternatively:

Cold Meat Salad Box 3.75

Slices of today's roast meat (Sirloin of beef, lamb, Honey-Mustard Glazed Ham) with house salad and anti-pasti selection.
